

Animal Tracking Scavenger Hunt

Walk along the Fir Trail Loop and see if you can spot these signs of animal evidence and what animal has been there! Check the box and write down the name of the animal you think is the culprit.

☐

Holes in bark tree (Hint: look at trees that are dying or decaying called snags)

☐

Big collection of sticks and leaves on tree branch (Hint: Look in Wedding Meadow)

☐

Mounds of dirt (Hint: look in a grassy field)

☐

Lines in a branch or stick (Hint: look on fallen branches or sticks)

☐

Cones with missing pieces (Hint: under big trees with needle leaves)

☐

Leaf with bites in it (Hint: look at green leaves on plants)
